

# BUDGET ALERT!

## DID YOU KNOW...

...that Queen's' Board of Trustees is projecting a **\$62.8 million shortfall** in 2023-24?

...that **every Department** at Queen's has been told to **cut back on courses, services and staff?**

...that Departments are being encouraged to **eliminate positions for adjunct instructors**, who teach over 40% of courses at Queen's?

...that retiring staff and faculty are **not being replaced?**

...that Queen's' **reputation** is in **decline?**

...that while all Ontario universities are dealing with a challenging environment, **Queen's is faring particularly badly?**
